Rule/Measure	Rule/Measure				
	RACT/BARCT Determination for Adhesives and Sealants (draft) 2/98	VCAPCD Rule 74.20 Adhesives and Sealants 1/14/97*			
Comments	RACT/BARCT Determination is a recent assessment of adhesives/sealants technology. Limits are representative of various district standards.	Non-checked limits contained in the Ventura Rule that are more stringent than the RACT/BARCT are not technically applicable to all substrate applications within the category.
